

L'ANESTHESIE GENERALE

La préparation

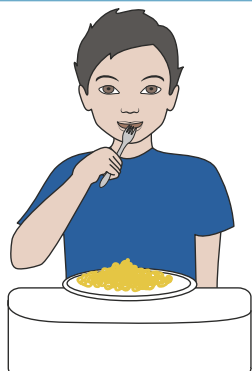

Les consignes avant l'anesthésie

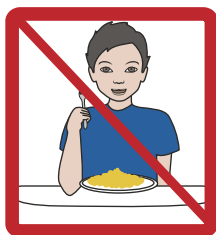

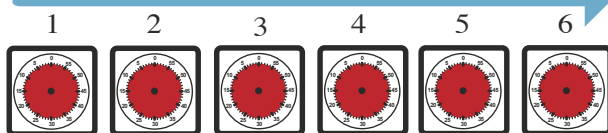

Tout ce que je dois faire avant

Je prends mon dernier repas 6 heures avant l'anesthésie

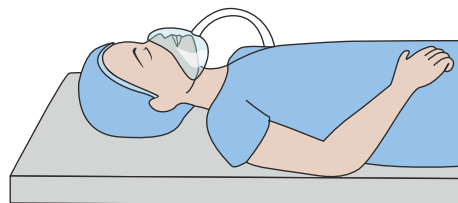

DERNIER REPAS

6 HEURES

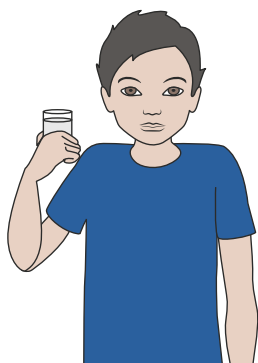

ANESTHESIE

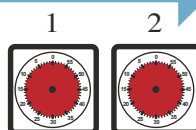

Je prends ma dernière boisson 2 heures avant l'anesthésie

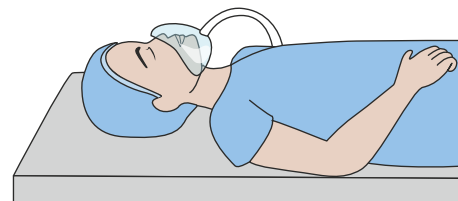

DERNIERE BOISSON

2 HEURES

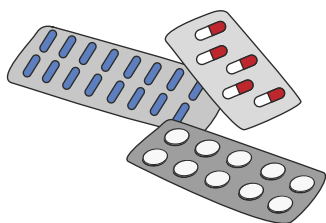

ANESTHESIE

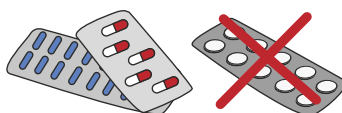

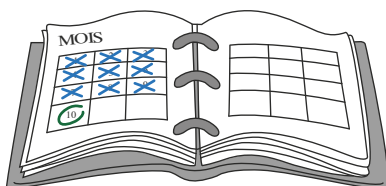

Parfois je dois arrêter de prendre certains médicaments

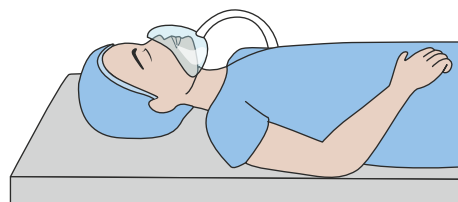

TRAITEMENT HABITUEL

Plusieurs jours

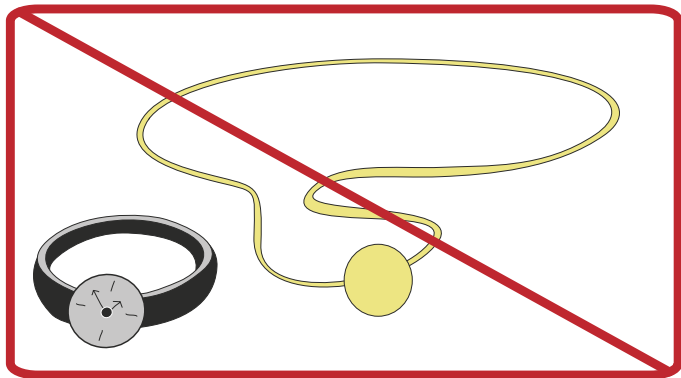

ANESTHESIE

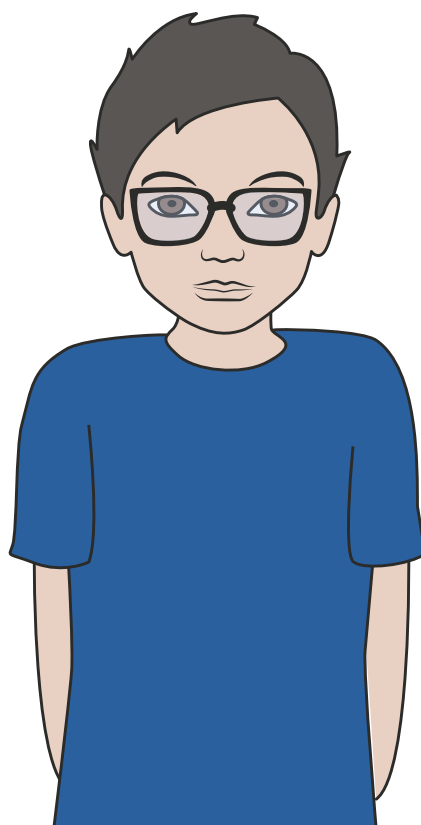

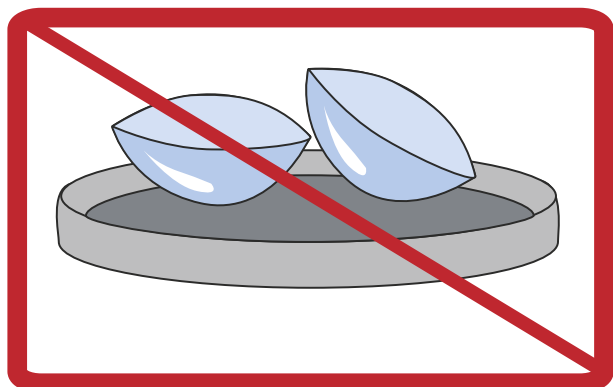

J'enlève :

- **mes bijoux, je les laisse chez moi**

- **mes lentilles de contact : je mets mes lunettes**

- Je me lave partout

● Je n'oublie pas :

Les oreilles

Les doigts de pieds
et entre les orteils

Les ongles

Le nombril
